## **The implications of the October European Council - what's next on climate and energy?**

Wednesday, 5 November 2014 | 08.00 - 09.30

FleishmanHillard Office | Square de Meeûs 35, 2<sup>nd</sup> floor | 1000 Brussels

On 22-23 October the European Council is to reach an important deal on 2030 Climate and Energy Package which will define the future of the EU energy and climate policy. In the immediate aftermath of the European Council, we will provide insights on the negotiations and on the political and legislative steps that will follow in the European Parliament.

**SPEAKERS:**

**Ambassador Stefano Sannino**, Italy's Permanent Representative to the EU

**Alexandre Affre**, Director, BUSINESSEUROPE

**Monica Frassoni**, President of European Alliance to Save Energy

The event will be moderated by **Caroline Wunnerlich**, Managing Director, FleishmanHillard.
