FH ENERGY LUNCHEON  
*Diversifying Europe's Natural Gas Supply:*  
**Challenges and Opportunities**

---

**Thursday, 2 April 2015 | 12.00 - 14.00**

FleishmanHillard Office | Square de Meeûs 35, 2<sup>nd</sup> floor | 1000 Brussels

Following the publication of the Energy Union Package, this luncheon-debate will bring together representatives of the EU institutions, third country suppliers, and the European gas industry to discuss Europe's quest to diversify the routes and sources of its natural gas supply.

Speakers will share their insights on the challenges and opportunities of diversifying Europe's natural gas supply. Third country representatives will be invited to provide their views on the potential of projects in neighboring regions to contribute to Europe's security of supply and the policy environment required to achieve Europe's goals.

We look forward to welcoming you to the roundtable, which will be held under Chatham House Rule. A buffet lunch will be provided.

To ensure the quality of the debate, registration will be limited and participation is on a first come first served basis.
